ABOUT ME

I am a dedicated and self-focused individual who is curious and eager to learn subjects narrowly and explore domains diversely. I am determined to put my strength and efforts for an undertaken ideology especially in the advancement of technology. I love to collaborate with like-minded and peculiarly creative individuals who possess extraordinary other-domain capabilities.

EXPERIENCE

- Demonstrated excellent organizational skills while managing multiple tasks simultaneously.
- Provided guidance and support to fellow students on academic issues.
- Participated in a variety of campus events, such as career fairs, lectures, and workshops.
- Participated actively in group projects, contributing to successful outcomes.
- Mastered various software tools and platforms for online learning and assignments.
- Managed time effectively to balance academic, extracurricular, and personal responsibilities.

CERTIFICATIONS

- Linux Shell Scripting Solutions, Infosys Springboard
- Linux Bash Scripting Training, Infosys Springboard
- Linux Shell Programming for Beginners
- Laplace Transform for Academicians and Engineers, Udemy
